ABOUT US

Relax Stand, which was established in 2008 is one of the leading company in the field of production display who is increasing the success graph from day to day. It is among the leading companies with its design power and technological machinery infrastructure system.

Majority of our portfolio are designed and produced to meet our customer expectations and needs. Our aim is to produce Best in Class displays with the top quality which enables our customers to have maximum benefits and create highest brand awareness in the market. We have 5.000 m2 factory located in Istanbul/Turkey which is just 15 km away from Ambarlı port where majority of import/export activities managed. We produce Metal , Plastic , Acrylic, Wooden and Corrugated displays produced with highest quality and latest technological systems which allows us to offer competitive prices and best service. At the same time, it aims to keep customer satisfaction at the top level by offering storage and logistics services.

Today, we as Relax Stand company have been exporting more than 30 countries around the world and cooperating the biggest companies in the international market as well as national. We are slowly but surely becoming a preferred vendor in global market.
